We would appreciate announcement of the following message. Thanks!

VA Southern Oregon Rehabilitation Center and Clinics Reopen Doors

The VA SORCC will resume business and reopen its doors on Thursday, March 13. The facility will continue to take extra precautions such as stressing the importance of hand hygiene to anyone entering the campus to help minimize a resurgence of the norovirus. VA SORCC Director, Don Burman, wishes to thank our Veterans and the Southern Oregon community for their understanding and support through this crisis.
